LINUX 下 ELA 安装方法

 安装本产品前,请确认已经下载好 EventlogAnalyzer 下载地址为:

https://www.manageengine.cn/products/eventlog/download.html

- 2. 请按照实际部署环境选择白金版或者分布式版本
- 3. 如果在 32 位的 Linux 系统中安装,请下载 ManageEngine_EventLogAnalyzer.bin 文件。
- 4. 如果在 64 位的 Linux 系统中安装,运行 ManageEngine_EventLogAnalyzer_64bit.bin 文件。

ManageEngine) EventLog Analyzer		产品概览	功能特性	版本对比	资源	客户案例	演示	免费	^{软件 所有产品 代理合作}	Q
		升级包	i i

icense Agreement

Installation and use of ManageEngine EventlogAnalyzer requires acceptance of the following License Agreement:

ManageEngine EventLog Analyzer 12

Copyright (c) 2018 ZOHO All rights reserved

This License Agreement details the policy for license of ManageEngine EventLog Analyzer (Licensed Software) on the following topics:

Evaluation License
 Commercial License
 Technical Support

(3) recentreal support Please read the following license carefully, before either (i) completing the electronic order or download of the Licensed Software from media that was delivered after being ordered by alternative order process, as applicable. You acknowledge that you have read this License Agreement, have understood it, and agree to be bound by its terms. If you do not agree to the terms and conditions of this Agreement, either (i) exit the web site page without continuing the ordering process, or (ii) return the provided unused media and documentation within thirty (30) days from the date of shipment of the Licensed Software for a full refund of your payment, as applicable.

1. Evaluation License: PRESS <ENTER> TO CONTINUE: []

Period").

If you are not willing to use the Licensed Software, either the Free Edition or the Professional Edition, after the Evaluation Period, you agree to remove the software from your computer with immediate effect except for any automatically generated backup copies used for no purpose. You are forbidden from using the Licensed Software for any other use or otherwise offering it for resale under the terms of this Section 1. ZOHO retains all rights not specifically granted to you herein.

Commercial License:

(a) Free Edition: Where applicable, if you choose to use the Free Edition beyond the Evaluation Period, the Licensed Software allows you to monitor up to 5 hosts. ZOHO grants you a non-exclusive, nontransferable, worldwide license to use the Licensed Software for no cost in perpetuity

PRESS <ENTER> TO CONTINUE:

(b) Paid Subscription License: As part of your choosing subscription license for the Professional or Premium or Distributed Editions of Licensed Software, ZOHO grants you a fee-bearing, nonexclusive, non-transferable, world-wide license to Use such edition of Licensed Software for internal business purpose including user documentation that you have downloaded from or received on media provided by ZOHO including all updates, where applicable, during the period of your subscription, provided that such access and Use of the Licensed Software is in accordance with the Single Installation License granted by ZOHO Details on features and functionalities provided as part of subscription license for the Professional and Premium Editions are available on the website www.zohocorp.com.

Under the Subscription License, the Licensed Software is licensed only for the duration of subscription. If you do not renew the subscription beyond the duration, you agree to stop using the software, and remove the software from your systems.

To continue using the Licensed Software beyond the subscribed duration, you must renew your license at least 10 days before the expiry of the term.

(c) Paid Perpetual License: As part of your choosing perpetual license for the Professional Edition, or Premium Edition, or Distributed Edition, of Licensed

5. ELA 卸载完毕

Proct@localhost./opt	- 0

*	

*	

	D 🍨 📼
Uninstall Complete	
Some items could not be removed.	
[root@localhost ManageEngine EventlogAnalyzer installation]# ~C	

关于 ELA 的升级

1.请进入 EventLogAnalyzer 安装目录下的 bin 目录, 并执行 bash shutdown.sh 文件停止 ELA 运行

2 执行 bash UpdateManager.sh - c 命令进行升级, 并在出现的安装选项中输入 i 以进行升级 补丁安装

3.选择升级包后开始补丁安装。注意:请输入升级包所在目录的完整路径
